CRAIN'S 2020 NOTABLE WOMEN IN CONSTRUCTION AND DESIGN

Julie Fisher

Co-founder and principal, fc Studio

Julie Fisher co-founded with partner Rachel Crowl (also featured in this issue) the architecture and design firm specializing in hospitality, commercial and luxury residential work. The pair has worked with high-profile clients such as Levy Restaurant Group, Walt Disney World, Amazon, Chicago Cubs, Wyndham Hotel Group, Northwestern

University, University of Chicago and Steppenwolf. Fisher leads the firm's residential design projects in addition to hospitality and commercial work. She is designing new lobby and bar areas for Steppenwolf Theatre's expansion and is working on the new bakery and retail location for Hewn Bread in Evanston. Fisher works with Rebuilding Together, providing free architectural and permit assistance to families in need of wheelchair access ramps at their homes. She also helps them identify and address other safety concerns.
